

Circular Space Battery Workshop

Date: 22 June 2026

Venue: Tanner Room, Linacre College, University of Oxford, Oxford OX1 3JA, UK

Reception: Nadel Room

Time	Themes	Item	Speaker
09:30		Registration & Coffee	
10:00		Opening & Framework Briefing, followed by Welcome Remarks	Dr. Yige Sun (Dept. of Materials, University of Oxford) Prof. Nick Leimu-Brown, Principal of Linacre College
10:15	Policy Drivers	The Revised Safe and Sustainable by Design in the EU Policy Landscape	Irantzu Garmendia (European Commission JRC)
10:30		ESA's perspective regarding space sustainability, circularity, and future space infrastructure	Dr Calum Turner (ESA)
10:45		Coffee Break	
11:00	Battery Experiences from Earth	UK Battery Innovation Programme	Prof. Martin Freer (Faraday Institution)
11:15		The Battery Balance: Sustainability Meets Economic Reality	Prof. Laura Lander (King's College London)
11:30		Operando metrology for batteries	Dr Rudra Samajdar (National Physical Laboratory)
11:45	Enabling Systems	Findings from the Factories in Space Database and DEXTER Recycling Project	Erik Kulu (Moliri Factories in Space)
12:00		Space Robotics for Inspection, Servicing and Recovery	TBC
12:15		Lunch	
13:30	Future Opportunities	ISAM: The building blocks for orbital circular economy	Mike Curtis-Rouse (Satellite Applications Catapult)
13:45		The Strategic and Economic Impact of Next-Generation Battery Innovation on In-Space Servicing	Dr Oguz Karasu (Saïd Business School, Oxford)
14:00		Panel Discussion: What Does Success Look Like for Space Battery Recycling?	Chair: Dr. Yige Sun
		Panelists: Prof. Martin Freer, Prof. Jin Xuan, Prof. Adam Amara, Mike Curtis-Rouse, Prof. Paul Shearing	
14:45		Coffee Break	
15:15	Mapping the Challenges	Breakout Session 1 – Technology	Facilitator: Prof. Martin Freer

		Breakout Session 2 – Metrology & Extreme Environment Testing	Facilitator: Dr. Rudra Samajdar
		Breakout Session 3 – Policy, Law & Economics	Facilitator: Dr. Oguz Karasu
16:00		Summary of Breakout Discussions	
16:15		Closing Remarks & Next Steps	Dr. Yige Sun
16:30		Reception & Networking	
17:30		Dinner / Pub at King's Arm (OX1 3SP, 10 mins walking distance from Linacre)
